

2021 MARPA CONFERENCE EXHIBITION OPPORTUNITIES

Maximize Your Company's Exposure - Exhibit at the 2021 MARPA Conference!

Looking for a way to showcase your products or services to the PMA community? MARPA Conference exhibitors enjoy a prominent place in front of Conference attendees for one of the lowest exhibition fees in the industry! Our exhibit space is kept purposefully small so that our exhibitors can maximize their exposure... but that means the limited spaces sell out quickly.

Make your decision today to become an exhibitor, and your company will be positioned as an industry leader. Your audience of PMA professionals and purchasers, air carriers, and MRO purchasers will have an excellent opportunity to learn about your company and what you have to offer.

Your Fee includes -

- One complimentary conference registration
- One skirted 3'x5' tabletop exhibition space within the Conference networking area
- 2 chairs
- 1 small garbage can
- Overnight security
- Access to electrical outlets upon request (*30 day notice required*)

Exhibition fees are \$1695 for MARPA Members, and \$1895 for Non-Members. Considering each exhibition includes one complimentary conference registration, your company's net costs are quite low.
